**WE OFFER CUSTOMIZABLE PARTNERSHIP OPTIONS TO MEET SPECIFIC GOALS AND NEEDS.
CONTACT US TO CREATE A BESPOKE PACKAGE THAT ALIGNS WITH YOUR ORGANIZATION'S OBJECTIVES AND
COMMITMENT TO SUPPORTING DIVERSITY IN AVIATION.**

OUR VISION

OUR MISSION

Through our programs and initiatives, we aim to instill confidence in aspiring black women aviators, ensuring they have the self-assurance to pursue their dreams in the industry. We provide coaching/mentorship, career resources, and networking opportunities that help build confidence, while also addressing any barriers or biases that may exist.

We believe that when individuals have the confidence to pursue their passions and believe in their abilities, they can achieve remarkable things. By promoting confidence in aviation, we are not only helping black women enter and stay in the industry but also inspiring future generations to follow in their footsteps, which will increase the current statistics.

OPERATIONAL PILLARS

We are dedicated to building out a robust pipeline for Future Aviation Professionals. We achieve this through:

- Hosting events that provide exposure to aviation careers, sparking interest and excitement among young women and girls.
- Developing and implementing educational programs that cultivate a deep enthusiasm for aviation, ensuring a steady flow of passionate and prepared individuals into the field.

We are dedicated to fostering a strong community for Black women already working in aviation. We support these professionals by:

- Creating spaces for connection and collaboration among industry peers.
- Offering opportunities for continuous learning and professional growth through workshops, seminars, and conferences.
- Connecting members with world-class professionals who provide guidance, mentorship, and coaching.
